

APPLYING FOR A UNIT

Thank you for your enquiry regarding a unit at Sirovilla. Sirovilla provides long term affordable housing for older persons under the Retirement Villages Act 1986. Sirovilla allocates vacant units by a wait in turn list. There is considerable demand for this type of accommodation and it may take several years for applicants to be offered a unit. Applicants should consider their future housing and support needs with this timeframe in mind prior to submitting an application.

This form will assist Sirovilla to determine your eligibility for a unit. The eligibility criteria are:

- aged 62 years or older
- capable of living independently – other than preexisting my aged care support package for the individual there are no on-site support services
- able to demonstrate a connection to the Geelong region/community

After completing the attached application form it is important that potential applicants arrange an interview in person or by phone with the Resident Services Coordinator. The interview will need to be completed prior to an applicant going onto the register of interest.

Please contact the office on 03 5241 1517 to arrange an appointment.

Please note it is the responsibility of applicants to advise Sirovilla if their circumstances change, especially a change of address. Sirovilla will make regular contact by post with applicants that are nearing possible admission to confirm their ongoing interest in living at Sirovilla while on the register of interest. If applicants do not respond to the written letter requesting their confirmation of their ongoing interest they may be removed from the waiting list.

Completed application forms are to be sent to:
